Rules to Be Followed during Informal Use of Stella's Field ([link](#))

Name: _____ Phone Number: _____ email _____

Access to the field requires a total of eight hours of verifiable service to the club and attendance at two general club meetings the past Club year from date of application. Please list below:

Durham Kennel Club will allow informal field access to members and life members who have met the requirements, subject to the following requirements and the field rules:

- Only DKC members and life members may have informal access Stella's Field. Associate and junior members are not granted this privilege
- DKC members and lifetime members may not have informal access to Stella's field when the field is in use for scheduled events, and activities, including rental and mowing. Members and lifetime members must check the DKC calendar before accessing Stella's Field informally
- Associate and Junior members may accompany a member with access.
- The member who opened or an appointed substitute who has been granted access must assure that all exits are locked.

By submitting this application and accepting an access code, the member warrants that they have read the Field Access and Use Rules and will abide by them.

Date: _____ Signature: _____

Submit application to: DKC's Membership Chair, The Membership Chair will approve access based on the criteria contained in this policy and upon granting informal access will send the application to the Group Leader and Recording Secretary.
