

March 1948

The Durham Kennel Club met March 8 at Miles Drive-In and enjoyed a barbecue and brunswick stew supper.

There was a short business session in which a letter was read from Mr. Alfred M. Dick, Field Representative, of the American Kennel Club, and the secretary was instructed to invite him to our buffet supper at the Armory on April 5.

Mr. Boone was instructed to pay \$50.00 for the use of the Armory for our show and was also given a miscellaneous fund of \$50.00 to take care of expenses incurred in getting the Armory ready for the show.

Mr. Corsbie gave a most interesting talk on Bostons, after which an informal discussion concerning this particular breed was held.

The meeting adjourned at 10:30.

Respectfully submitted
