

March 1951

The Durham Kennel Club met at the Forest Hills Club House on March 13th.

The meeting was called to order by the president, Miss Norman. The minutes of the last regular meeting and the last board meeting were read by Mr. C. P. Jones. A correction was made in the minutes to read that the new officers take office on June 30th instead of immediately after the dog show.

The treasurer reported that at the end of the auditing year the balance in the treasury was \$2,044.60. Mrs. Hill gave a brief report on some of the show expenses up to date.

Places to have the dog show were discussed and a motion was made and carried to leave the place to have the show up to the show committee.

The question of having the annual exhibitors ^{dinner} was discussed also. A motion was made and carried that the plans for the dinner be left up to the bench show and hospitality committees.

Dr. W. H. Vanderbilt and Dr. L. L. Vine spoke on dog ailments, especially the Virus X brought to the U.S. by English dogs. The hard pad disease was also discussed.

A motion was made and carried that all members be admitted to the dog show free by presenting their membership cards. It was also decided to send show passes to all advertisers and trophy contributors.

The meeting adjourned at 11 o'clock.

Respectfully submitted,

Lela Jones,
Acting secretary.
