

DURHAM KENNEL CLUB, INC.

REGULAR MONTHLY MEETING

November 22, 1954

The Durham Kennel Club Inc. and its guest met at the Forest Hills Club House. This meeting was primarily a social meeting, to introduce the special guests invited to the regular members and acquaint them more thoroughly with the aims of the Club.

The people invited were those who have expressed an interest in the Kennel Club through the past months.

Mrs. Moore dispensed with all business and turned the meeting over to Dr. Henry Kamin, program chairman. Dr. Kamin then introduced Mr. Edgar A. Moss, of Greensboro, as guest speaker.

Mr. Moss gave an interesting and informative talk on many phases of Kennel Club work, particularly stressing Dog Shows. A discussion from the floor concluded the program.

Coffee and cookies were served to all.

No further business pending, the meeting was adjourned.

Respectfully submitted,

*Mrs. N. O. Sicker*
