

MINUTES

The Durham Kennel Club met at Forest Hills Club house ~~on~~ Monday, June 11th at 8 PM.

The Secretary read the minutes, and ~~A~~ Treasurers report of the financial status of the April Show was given.

The President announced the newly appointed Chairman for the year as follows:

In the absence~~#~~ of Betsy Rhine, the President gave a report on the possibilities of having a Fall Point Show. Since Fayetteville and Greensboro are not interested in a Fall Show circuit, and Burlington may be at a later date it was decided to drop any further plans for a Fall Show at this time.

Dr. Kamin presented a report ~~by~~ ^{his} the committee on holding meetings every other month. They recommended that no change be made in the constitution as suggested because the Club needs monthly meetings in order to complete its two shows during the year.

Julia Cuyler moved that there be a Hilda Thomas Trophy awarded in the Collie Breed given at the 1957 AKC Show. It was seconded and unanimously agreed upon.

The President requested that 5.00 be given to the Dog Welfare Guild as the Board of Directors recommended. This was approved.

The secretary reported a further request from the Master Eye Foundation for donation. It was decided that further information regarding this Foundation ^{should} be gathered before money would be sent. Mrs. Claude Nichols offered to look into it.
