

DURHAM KENNEL CLUB - November 18, 1968

The Durham Kennel Club held its monthly meeting on November 18, 1968, at First Federal Savings and Loan, preceded by a program presented by Dr. Chester J. Lange, A Veterinarian from High Point. There were twenty-two members attending.

Dr. Keith Grimson called the meeting to order. Minutes of the October meeting were read by the Secretary and approved as read.

Applications for membership were read and approved into the Kennel Club as follows: Mr. Paul Thomas McNeill, Jr. and Mr. and Mrs. Charles D. Johnston.

A vote of appreciation to Dr. Harry Smith was lead by Dr. Grimson for the successful Sanctioned Match recently held. Dr. Smith reported that there were forty-one breeds entered in Conformation and twenty-nine in Obedience, bringing a total of \$159.00 for the enteries. Dr. Smith feels that there should be some rescheduling and rearrangement of the Match for earlier termination.

Mrs. Vivian Haines reported that the Show plans are going well; however, Miss Pat Lawrence urged everyone who had not done so to let her know about the donation of the trophies as this has somewhat slacked off. At this time, it was voted that only those members in good standing for 1968 could donate trophies; the same being true of advertisement sales for the book.

Mrs. B. J. Thompson announced that Graduation Classes would be held for the fall groups on November 19 and that another group of classed would begin on January 2, 1969.

The Christmas Party will be held on Friday, December 6, at the Golden Burrow and a change in price for the guests will be lowered to \$4.50. Mr. Larry King said that the awards had been ordered and would be on hand for presentation.

Motion was made and carried that the Club donate the amount of \$25.00 to the Professor Douglas G. Hill Memorial Lecture Series, sponsored by Phi Lambda Upsilon Chemical Honorary Fraternity at Duke University.

A form has been drafted for the use of purchase orders and those ordering items through the Kennel Club should do these in duplicate to aid Misses Nell White and Margaret Norman. They will be available in the near future.

Motion was made and carried that Dr. Grimson be given the authorization to go through and sort the material that was bequeathed him from past presidents with the material of five years back being discarded.

There being no further business, the meeting was adjourned.
