

REGULAR MEETING OF THE DURHAM KENNEL CLUB

October 17, 1977

The meeting was called to order by the President, Faith Gehweiler, after a program by Ms. Lynn Moseley on "Introduction to Genetics for the Dog Breeder" and Dr. Joe Currier on the N.C. Veterinary Research Foundation in Southern Pines.

The minutes of the September meeting were read and approved.

Treasurer's Report: \$12,645.50. Mary Holland reported we have made a draw on our loan at the bank.

Faith reported that we have lost our lease on our present clubhouse and must be out of the building by the end of November.

Diane Divine asked for more volunteers to clean the building.

Vern Bell and Marge White could use more ring stewards at our show. John Cooper all set with the concession stand.

Bob Geesler left word that the skeleton of our new building is up and work is progressing. We have budgeted \$59,200 for the building and it looks now like we could come in under budget at \$58,324.
