Announcements made by some of the Committee Chairmen were:

Dr. Smith reported there will be an Eye Clinic at the Fall Show.

Marge White reported that we will have a Bill Koehler Obedience Clinic in April, 1980.

Peter Kartye reported that interest had been expressed in having the building open on Thursday nights from 7:30 to 9:00 for a fee of \$1 per handler (who might bring as many dogs as he can handle!) for the purpose of working in show handling, obedience, and general socialization for the dogs. A discussion ensued, a motion was made and seconded that Peter be allowed to have the building open and charge the \$1 fee. The collected fee will be used for utilities and other such necessities. It was noted that our monthly payment has increased from \$115 (which included utilities) to \$385 per month (which DOES NOT include utilities).

It was reported for the Building Committee that construction for the kitchen and storage area had been started -- it is approximately 12' x 32'. Also, work is underway to sheetrock the entire walls now for two reasons -- because material is less expensive than it will be later and in order to protect the exposed insulation -- approximate cost is \$1,000.

Mary Bell suggested another money-making project: the Village Dinner Theater has a package deal for buying all the tickets for a given show for \$2,700 and selling them ourselves. The Club could make several hundred dollars if we decide to try.

Mary Holland presented the budget to the membership; a motion was made and seconded to approve and accept the budget as presented.

Another Club project to make \$\$ which is underway is saving aluminum cans. They are recyclable and we can make 17¢ per pound. BRING cans to the November meeting.

Accepted as Associate Members at the September meeting were:

Connie & Al Howard

Announced as applying for Associate Membership were:

There being no further business, the meeting was adjourned.

Respectfully submitted,
