

DKC GENERAL MEETING MINUTES

MARCH 14, 1983

The meeting was called to order by President Marge White and the minutes of the previous meeting were approved as read by Secretary Joyce Thomas.

On behalf of B.J. Thompson, Show Chairman of the Spring show, Marge announced that entries were close to 2000 and also advised that BJ had available to anyone interested the two oil stoves that had been previously used to heat the old clubhouse. She further offered old copies of the AKC Gazette going back to 1968.

Marge put out a warning for all to be very careful when picking sites to train or run TDX testing. Due to misunderstanding, the tracks had been laid on land for which no use permission had been granted. Some fields at Quail Roost are leased so Marge advised members in doubt to contact Pat Lawrence before laying track or picking a site.

It was also announced that Dr. Peiffer has once again agreed to be the attending DVM and to do the Eye Clinic at the October show and that 34 members had signed up so far to attend the Judge's Cocktail party prior to this Spring show. Time to be 7-9PM and cost \$5 per person.

It was announced that Kathy Price badly needs volunteers for the Gymkanna and, in particular, a volunteer to organize the games and one for the auction.

Secretary read correspondence received - no action required.

No treasurer's report was available due to the absence of Bill Nelson.

Cindy Luster reported the end of the 10 week obedience classes and thanked all instructors. She said that all students graduated and that the Spring classes are already getting good response. She also said that we had enough stewards for the coming show.

Edna Hodges requested the help of someone to arrange dinner for 30 people after the Easter Sunday tracking trial.

Connie Howard reported actual figures of 2122 for DKC Friday entry and that our show, as well as the whole circuit, is breaking the previous entry records. One problem is that, due to computer breakdown at Moss Bow, some figures are not available so we do not know where, or if, extra judges will be needed. She put out an appeal for ice chests to be used in the carts to provide judges with ringside refreshment.

Wendy Harp reported that all was complete for Spring show trophies and that donations will be accepted at the April meeting for the fall show.

New members for voting were read by Ann Walthau and ballots were passed out for those previously read.

Meeting adjourned with high spirits and hopes for Friday's show.

Respectfully submitted

Joyce Thomas
