VII. Old Business - None

VIII. New Business

- A. Bob Rabil reiterated his opinion that we need a committee to oversee local and state dog legislation. Carol Parron said that Tailwaggers reformed its committee. The dog bill which was tabled at the previous legislative session will probably be brought up in the short session. The breed specific wording has been deleted so now it is not a bad bill. It was pointed out that the Tailwaggers committee does not address local issues. Ken Killinger said that the board will pursue this.
- B. Mighty Match - January 20. Call Bill Nelson if you want to help or place an ad. Bill would prefer cash trophies. Marge White moved to support the Mighty Match with a full page ad in the catalog. The motion was passed. Marge will contact Bill. George Beglane asked if we will give a special trophy as we have in the past. Joyce McHenry moved that we offer a group trophy, if needed. George Beglane seconded. Pat Laurence moved to table the motion until the next meeting. Carol Parron seconded.

There being no further business the meeting was adjourned at 10:00 p.m.

Respectfully submitted,

Patricia M. Ashmore
