

DKC MINUTES FROM MEMBERSHIP MEETING-- April 15, 1991

Following a program on Canine Genetics, presented by Kelly Ferris the meeting was called to order by President, Dee Wallis.

The minutes from the previous meeting were read and approved.

Treasurer's Report:      Checking Account:                 \$ 9,261.42  
   Fowler Trophy Fund:                 1,798.28  
   Savings Account:                     60,693.43

President's Report: None

Committee Reports:

Tracking: Emilie Beglane thanked everyone who helped with our recent tracking test and especially Geraldine Fleming, who chaired the test.

Conformation Classes: Dee Wallis reported that conformation classes have begun and we are hosting classes for puppies, beginners and advanced dogs. There still is space available for additional participants.

The April 21st conformation meeting did not take place as previously announced. It was agreed to reschedule this meeting for Sunday, June 16th. This will be a covered dish gathering, with the purpose of discussing how we can better serve our members who are interested in showing in the conformation ring. Anyone is welcome to join the group. The meeting will be held at the DKC Clubhouse at 1:00 p.m. for food and talk

Dee Wallis mentioned that the mats that are stacked in the corner will be available for members to bid on at the picnic. This will be done by written bid for each individual mat.

Awards: Stella Maunsell explained that updated criteria information has been posted on the wall at the DKC for everyone to read. These will be distributed to the membership via the newsletter.

Public Relations:

Sue Wilson asked for additional people to help with our pet therapy program.

Membership:

Jan Hansen reported for Mary Opperman. Member candidates read were David Chandler and Gretchen Hutt. Member candidates voted on were: Norma Iglesias, Karen and Frank Kauffman and Adam Reeder. Regular member voted on was Fred Melnick.

There were no nominations from the floor. Our annual meeting will be held in May.

Ken Killinger shared information that he had received on several upcoming matches.

Jim Kessler reported that an outbreak of Parvo had been reported in the Orange Co. Animal Shelter. It was noted that Parvo is likely to be more common this year due to the unusually warm winter.

Dee Wallis asked for ideas with regard to food and entertainment for the June picnic. Members with thoughts on the picnic were invited to talk with Dee.

The members were reminded that dues are due on June 1st.

There being no further business, the meeting was adjourned and several brags followed.

Respectfully submitted by,

Marjorie J. White,  
Secretary
