Treasurer's Report:	Checking Account	\$ 5,547.88
	Fowler Trophy Fund:	1,929.24

Stella thanked the awards committee for the recent awards program.

Stella reported to the membership that the recent run-thrus earned \$992.00 for our club.

Marge White reported for Connie Howard, our spring show chairperson.

Spring show entries are up by approximately 165 dogs.

There are many after-show activities this year. On Wednesday night the Moore County KC is hosting its first AKC sanctioned match.

Saturday night there will be a talent show.

March 28 and 29 seminars on dog care will be held.

Connie still needs volunteers to take judges from the motel to the show site on Friday a.m.

Ken Killinger asked for more help in the obedience rings. A sign up sheet for stewards was passed.

Ann Walthall will need more help serving lunch to the judges.

M. F. Davis read the name of Lorraine Short for member-candidacy.

Richard Perschel reminded that our club will hold a yard sale on Saturday, April 22nd. The sale will be held in our building and we will set up for the sale on Friday night. We still need additional tables. A bake sale will be held at the same time.

Fran Hoffman reported for the obedience committee that April 11th will be the first night of classes for the spring session. An invitation was extended for anyone interested in becoming involved with our obedience classes.

On April 2nd our club will host a T.D. test and food is needed for the luncheon after the test. Cathy Fogel is in charge of the luncheon.

On June 10th we will host another CGC test at the building. Sallie Cooper is in charge of this.

Joyce McHenry thanked members who helped in cleaning the building.

Sharon Pitz reminded the membership that we still have sweatshirts, T-shirts and mugs for sale.

Stella suggested the need for someone to mark off the parking area at the Harris Road property. Parking spaces will have to be measured for cars as well as RVs.

Before we use that property we also should have someone with a tractor and tow rope available in case someone gets stuck. We will also need to have a release-waiver drawn up.

Cindy Luster urged all the members to attend the Karen Pryor seminar that will be held the later part of April.

Maureen Lucas reported that the Durham Co. Animal <sup>Control</sup> Advisory Committee is in the process of considering ways to increase their revenue. There has been a 6%, across the board, cut to all Durham Co. departments, thus the need to make this up. If you have any suggestions that you feel this committee should consider you are welcome to get in touch with Maureen.

There being no further business, the meeting was adjourned at 9:25 p.m.

Marjorie J. White, Recording Secretary.
