Committee reports:

Treasurer: Available upon request

Secretary: No report

AKC Delegate: Meeting December 13 in Orlando Fla.

Agility: No Report

Building update: George Abell

- Primary contacts for the building improvements are:
George B, Roger A, Anne F, Joyce McHenry
- 1. Completed: trees have been removed, canopies raised, 7" cement steps installed, natural area created around the 'great oak' to protect the roots
- 2. Phase II to include: clearing the bank and swell areas at the top and bottom of grade, install new down gutter spout, install stair railing, install new ground cover, install privacy shade on new door, lift sagging on existing doors
- 3. Other building to dos: install lights along walk ways, improve reflectors, investigate security on all doors via sensor which would be tied to front door insure all doors are locked when leaving building
- Anne Fitzgibbons reported that a group of members helped to rake debris from around building
- Donna Goldstein asked about a security gate at the entrance off Guess Road, response was that that was not practical due to the numerous maintenance crews coming onto the property

Membership: New member Barbara Nelson voted in!
