### COMMITTEE REPORTS:

An AKC Sanctioned B March is being held at the Club next Saturday the 13th. Pre-entries will be taken until the Friday before the event and day-of entries are allowed. There are fifty-five entries at the current time.

The All Breed Fall Show is the Saturday of Labor Day weekend at the NC State Fairgrounds. We will be looking for volunteers in the upcoming weeks.

The All-Breed Health Clinics are being held at the Clubhouse on September 10 and 11. If you'd like to volunteer, please check out the link on the website. Thanks to George Beglane for working on the online signups

for services and volunteers.

Planning Committee has been working on the addition to our building. Code requiring firewalls, etc. have necessitated looking into an adjacent building with a covered walkway between the two. More information to be coming as we move forward.

**UNFINISHED BUSINESS:**

The amended bylaws as voted by the membership were sent to AKC for final approval. However, AKC requires that a Constitution be included. The Constitution had been removed during the last amendments. Mr. Wrath has spoken with AKC and has been reassured that with the addition of the Constitution and change of the word "vote" to "ballot," the amended ByLaws submitted would go forward to the AKC Board of Directors for the final approval. There were fifty-three voting members in attendance, fifty members voted in the affirmative, three members against. Therefore, the ByLaws as amended were approved by three-quarters of the membership in attendance and voting at the meeting. Mr. Wrath will send the amended ByLaws and all required documents to the AKC for approval

**NEW BUSINESS:**

None

Brag.

There being no additional business to come before the membership, the meeting was adjourned at 2:09 pm (J Traylor/D Moser motion)
